Today, I'm going to tell you how I usually spend my week.

On Monday, I get up at six thirty to walk my dogs. It's a lot of fun. They like exercise. After school, I have a swimming lesson at Rits Swimming School. Now I'm practicing hard to swim faster than my friend, Takumi.

On Tuesday and Wednesday, I have baseball practice after school until five o'clock. Playing baseball with my teammates is exciting. I love baseball.

On Thursday, I take out garbage when I leave home in the morning. My mother looks very happy when I help her.

On Friday after school, I go to an English school and study English for two hours. English is a little difficult for me, but I like to learn new English words.

On Saturday and Sunday, I often go somewhere with my friends. I have a wonderful time every day.
