**第7問** 次の英文をよく読んで、以下の問いに答えなさい。

Today, we can see many Japanese restaurants in other countries. Japanese food is getting more popular year by year. The number of Japanese restaurants in foreign countries was 24,000 in 2006, and it has never decreased since then. It was 89,000 in 2015 and became 156,000 in 2019! Why is Japanese food getting so popular?

First, Japanese food tastes good. Japanese people use *dashi* for many dishes. It makes Japanese food delicious. Second, Japanese food is healthy. Some scientists say we may be able to prevent some diseases by eating fish. Traditional Japanese food has many kinds of fish dishes. Third, Japanese food looks beautiful. Some people say it's a kind of art. How to cut food, how to use the colors of each food, and how to arrange food on a plate ... these points make Japanese food beautiful.

Sushi is one of the most popular Japanese foods. It is usually fish on rice. However, foreign people have produced new kinds of sushi, such as fruit sushi. It is popular among people who don't like fish. Japanese food is evolving in other countries.
