Woman :

This summer, one of my friends, Emily, came to Japan from the U.K. She was in Japan for a week and stayed with my family for three days. On the first day, we took her to a famous temple. There were so many people, and some of them were wearing *kimono*. They were so beautiful in *kimono*. On the second day, we went to some shops in the morning. We bought some food for dinner. After coming back home, my mother and I taught Emily how to cook Japanese food. It looked difficult for her, but she tried hard. Her *tempura* was good. On the third day, we went to a castle. Emily looked at it and said, "Japanese castles are different from the ones in my country. That's very interesting. Thank you for bringing me here." I was happy when I heard that.
