Man★ :

This summer, I went to a festival in Japan for the first time. During the festival, I took many pictures. That day, I met my Japanese friends in front of the park and we walked around. First, we had some Japanese foods such as *takoyaki* and *yakisoba*. My friends said, "We eat them at this summer festival every year." They were delicious. After that, we took part in a traditional Japanese dance. It was too difficult for me to dance it well. While I was trying hard, one of my friends was playing the Japanese drum for the dance. It had a strong sound, and I was excited! At the end of the festival, we watched the fireworks. They were so beautiful that I had no words to explain them. On my way home, I went to the station to take a train. It was full of people going home from the festival, so I missed three trains. When I was getting on the train, I was pushed into it. It was also my first experience.

The next day, I enjoyed choosing the pictures to send my family in America. I had a really good time.
