Woman :

Today, I'm going to talk about one of my favorite stories. It's a story my father told me when I was a little child. It's about a little girl and her doll. The doll was made by the girl's grandfather. Soon it became her favorite toy. She always had it with her. She read a book to the doll before going to bed. The girl and the doll slept together. One night, she had a dream. In the dream, the girl was wearing her favorite dress, and the doll talked to her. The doll said, "Your dress is really nice. I want a nice dress, too." The next morning, the girl said to her father, "I want a small dress for my doll." Her father said, "I don't know where we can get a dress for a doll. How about getting some cloth and making one? You can learn how to do that from books or your grandfather." The girl said, "I see. I'll ask Grandpa. First, let's get some cloth." Then, they went to a cloth shop and found nice cloth. After that, the girl visited her grandfather with the cloth. He taught her how to make a dress for a doll and helped her. Finally, the girl made the dress and took it home on Christmas day. She put the dress on the doll. It looked very nice. That night, she met the doll in her dream. The doll said, "Thank you for the dress! I really like it. Let's have some tea and cookies together." After that, the girl had a dream of the doll every Christmas. She enjoyed some tea and cookies with the doll. And then, she was excited before every Christmas because she could meet the doll in her dream. (20秒)
